Owner Update

11.5 years of Troy Gymnastics. One of my favorite things about our sport are the life lessons: work ethic, setting goals, persistence, toughness, attention to detail, listening, respect, patience, dedication, self-confidence and so much more. Who doesn't want this for their loved one? I know I'm the owner and biased, but, we see and hear it every day. We appreciate you being a fan of TG.

Coming Up!

Beat the Heat

Summer Reminder!
Make sure your gymnast is well hydrated! Summer practices get hot and can be very taxing. We want to make sure your gymnasts are staying healthy and safe! *We highly recommend bringing a water bottle (with your child's FULL name on it) to practice & to hydrate all day leading up to practice.*

Remember-only water is allowed inside the gym. Missing your water bottle? Check our lost and found bins in any of the buildings!

Drop Policy

In order to stop attending classes you need to send an email to drop@troygymnastics.com at least **7 days before** the first of the month you want to drop. The last day to send the email is **August 24, 2017** in order to be dropped for classes in September.

Make-up Policy

Each student is allowed 2 make-ups for classes missed each month. These make-ups can be done the month before, month during, or month after your child's missed class.

Policy Reminders

Camp Tuition Policy

CAMP TUITION IS NON-REFUNDABLE. If your child is sick or your schedule changes, you will be able to switch enrolled days.
